

# ACNEM MEMBER CATEGORIES

**VISIT [ACNEM.ORG](http://ACNEM.ORG) FOR MORE INFORMATION**

## WHY BECOME A MEMBER OF ACNEM?

Membership provides practitioners with advocacy, collegiality, networking and support from a peer group of like-minded professionals via events, social media groups and discussion forums. Importantly, your membership supports the work of the College to establish nutritional and environmental medicine as core to good clinical practice.

## MEMBERSHIP CATEGORIES AVAILABLE

Current membership prices can be found at [acnem.org](http://acnem.org)

**PROFESSIONAL** Open to registered medical practitioners and dentists.

**ASSOCIATE** Open to registered healthcare professionals.

**STUDENT** Open to students studying towards a qualification, which on completion would provide eligibility to become a Professional or Associate member of ACNEM. Student Membership is free while studying.

**COMMUNITY** Open to members of the public wishing to support the college.

**RESEARCH** Open to researchers with a current academic appointment.

**FELLOW** Open to people who have completed the ACNEM Fellowship formal education program.

**LIFE** Awarded to recognise the contribution of members to ACNEM over a period of time. Applications are approved by the ACNEM Board and are available to people who are continuous ACNEM members for 35 years or more.
